Great Game Promised Today at League Park.

Today is the day, for the Elks and Honolulus get together for the first of the championship series of league baseball, to decide the honors of the season. That there will be a crowd goes without saying. The crowd had a taste of real baseball last week and look for the same kind of sport today. Last week the gate receipts were something not to be sneezed at. The ball twirlers, hope the crowd will get a hump on itself today and fill the grounds to overflowing.

Joy will probably pitch again today. The Elks sympathizer who a little more than a week ago said that Joy was a "has-been," has donned a muzzle. Hampton will be there for the Purplers. The game begins at 3:30 sharp. BATTING AVERAGES SEASON

The following score represents the twenty-inning score of a battle between the Chicago and Philadelphia teams of the National League, played at Philadelphia on August 24. The game equaled all major league records in the matter of endurance and in most

Only one game of equal length has been played in the National league. That was many years ago, when Chicago and Cincinnati played a twenty inning tie. During the present season Philadelphia beat Boston of the American league in a twenty inning game, 4 to 2, which is the American league record.

This game was remarkable not merely for its length and closeness, but because of the frequency of sensation-.076 al plays and the many times when runs were cut off that seemed about to end the struggle. Nearly every man on both teams figured in some sensational

Haleiwa will claim the golfers tomorrow. The great championship game is billed to come off, and by the looks of things there will be one of has gone there this season. In the last Manoa golf match, there were eight players, who for putting up the best net scores, received free transportation to Haleiwa and back and hotel expenses.

> The double quartette is in fine fettle, and will be distinguished from the other and less fortunate golfers by a piece of red baby ribbon tied about their left arms. The players will leave on the Haleiwa Limited, leaving town at 8:20 a. m., Sunday. This afternoon's train will also take a number of people who will stay over until Monday. In the semi-finals of the Manoa Golf Club, Harold Giffard is matched to meet Thayer, and Woods to play Spalding. The finals will be played September 17.

SEAGIRT, (N. J.), August 26 .-When "cease firing" was sounded at 6 o'clock this evening in the military rifle tournament, it was learned that Captain Corwin of the Seventy-first New York regiment had retained his place at the head of the list of competitors. Captain Corwin's total for the slow fire and rapid fire stages is 266 out of a possible 300. Sergeant Scott of Illinois is second, with 262. The total scores of the leading six competitors in the slow fire and rapid fire stages of the national individual match follows: Captain Corwin, New York, 266; Sergeant Scott, Illinois, 262; Sergeant Stiles, Maine, 259; Lieutenant-Colonel Reicheiderfer, Washington, D. C., 257; Private Durand, Massachusetts, 256; Sergeant Short, New York, 256.

Tennis.

CINCINNATI, August 26. - The seventh annual tennis tournament for the tri-state championship of Ohio, Indiana and Kentucky opened today under the auspices of the Cincinnati Tennis Club. A large crowd witnessed the playing. Chief interest was in the match between Miss Mae Sutton of 59 Pasadena, Cal., the world's champion. and Miss Frances Smith of this city. SB. Miss Sutton won easily.

Renear Defeated.

Hawaii's swimming champion, Dan Renear, has been defeated, and by yearly program will be adopted. 12 Daniels, the crack New Yorker, in a 12 fine match at Philadelphia for the 11 Sackett Cup. The race was held on wireless telegram to H. P. Baldwin of August 19. Dan simply wasn't in it Maui congratulating him on the sportswith the New Yorker who left the Ha-8 waiian champion far behind. The race was for 100 yards and was done in 62 2-5 seconds. Dan was not in good condition, owing to a bruised leg, which wore him out. A Philadelphia paper says of the race:

In swimming race for the Sackett Cup at Philadelphia, Daniels, of New York, defeated Dan Renear, who has been training in Millville and did the hundred yards in 62 2-5 seconds. The er and when the big race for the cup got better at once. The third dose came off only Daniels and Renear ap- completely cured me. I am never withhis cut leg bothered him and he did for Hawali.

his stroke was somewhat splashy and not so even as it might be, while Daniels swam very evenly. For the AT SEAGIRT Daniels swam very evenly. For the first sixty yards the men were even but after that Daniels drew away from Reafter that Daniels drew away from Renear. At the finish Renear was all in and was a badly done up boy. His sore leg pained him badly and he was breathing heavily. There was no doubt but that the cut he received last week did much towards his losing the race as it was in a bad place and one or two of the ligaments had been severed. Under other conditions Renear could beat Daniels it is believed. He will return to Millville this week and train for races in New York City.

Mammoth Speculation

Now that the sporting public has departed from the modern spa Saratoga, there are various estimates regarding the tremendous winnings of bookmakers and other gentry who entertain persons who desire to be pried loose from their superfluous cash. The opinion is that bookmakers have cleaned up not far from \$3,000,000, and that smaller fry will carry off at least \$500,000. This is based on an estimate that \$20,000,000 were wagered at the race track and \$4,000,000 at other games of chance. In the "mets" William Cowan is credited with a surplus of \$200,-000; Joe Rose of California is said to have \$150,000, and Bookie Tyler \$100,-000. Fifty books averaged a profit of \$25,000, and thirty others averaged \$10,-000. Canfield is at least \$250,000 to the good, allowing for \$50,000 expenses. The winnings at the Bridge Club are modestly estimated to be \$200,000. When the season was at its height the incoming parlor cars were jammed, but departing trains carried the largest crowds in the ordinary coaches, while some of the hot sports were content to take passage on a friendly freight
